

There will be a homework league this year where you earn points for the homework you produce. You can choose to do 1 a week or bring all 6 in at once. Feel free to do more, these are just to get you started! Each task can be presented in any format, as big or as small as you like. There are bonus points for beautiful presentation or exciting ideas!

Draw a selection of natural and manmade light sources.

Draw or take photos of shadows around your home.
