

Autumn Term 2017

Welcome back!

I hope you all enjoyed the Summer break and are looking forward to the Autumn Term.

This term is our Arts term when we will cover art and music that will be linked to our Ancient Greece topic. Miss Phillips and I are

keen to ensure all children progress and are happy during their time at school so please feel free to discuss any questions or issues with me as they arise. I am usually free at the end of the school day if you want to talk with me.

This term we are going to spend a lot of time working on mental arithmetic, spelling, punctuation and grammar and phonics. This may involve extra work sent home.

James Keetch

What will I need to do?

P.E. kit - shorts , t-shirt, plimsolls or trainers in a small bag.

These are needed throughout the week during this term as we often make use of any remaining decent weather.

Please remember to provide water bottles for your children. These can be refilled at the water fountains.

Homework will go out on a Friday and it is expected to be completed by the following Wednesday. This will include spellings as well as a numeracy or literacy assignment, if you need to help your child would you please make a note on the sheet. We will also continue with our project based homework.

Please make sure names are on everything! This way things can be returned if they get lost.

What will I be learning ?

Literacy-This term we will link our learning to our topic and investigate Myths and Legends, character profiles and non- chronological reports.

Maths - Place value will be understood this term, we will then progress to column addition and subtraction and then problem solving.

Science - We will be Investigating sound waves, pitch and volume. During the second half of the term we look at classification and habitats.
