Opal Class Writing Workshop

On Tuesday 23rd May I will be holding a Writing workshop in the Year 1 classroom from 2:30pm to the end of the day. The aim of the workshop will be to; share examples of age appropriate writing samples, provide writing support strategies for you at home and a brief overview of the writing expectations of Year 2 (eeeek! It isn't that far away!!).

In addition to this I will be explaining all of the terminology related to assessing children's writing without levels and how we support children to make progress through the different colour levels.

If you are unable to attend the workshop but are able to send someone in your place who works with your child on their writing feel free, everyone is welcome.

We do ask that you attend without younger siblings to reduce the chance of distraction and ensure that the workshop is a success for all.

I do hope to see all of you there and look forward to working together.
