

Peridot class

Welcome to year 5; I'm really looking forward to my new class! What a privilege it is to come to work every day and make a difference to children's lives, pastorally as well as educationally. I have enjoyed hearing about all the fantastic activities you have had over the summer holidays.

This term, we are studying the Vikings, what they were like and why they invaded other countries. We will be having an immersive learning day where we will imagine what life was like being on a longship on the rough seas.

Our science topic is the Earth and beyond. We will do lots of outside learning, including an experiment to understand how the Earth moves and how the sun casts shadows.

Outdoor PE is on a Monday, all children are expected to have a full outdoor kit including trainers. Indoor PE is on a Wednesday.

If there is anything I can help you with or you feel I need to know, please feel free to catch me at the end of the day, or alternatively make an appointment at the office for a more convenient time.

I look forward to meeting all the new mums, dads and carers!

Mrs Tranter
