Dear Parents/Guardians

RE: Parents' information meeting about SATs

As you will be aware, year 6 is an important year, with the children sitting SATs tests in May. With this in mind, I would like to invite you to a meeting on **Tuesday 16th January** about the SATs and how the children will be assessed this year. The meeting will be held in my classroom after school, from about 3:30/3:40pm.

The meeting will give you more of an insight into what is expected of the children, what the tests look like and how best to support them at home.

Please be aware that the new KS2 curriculum and assessments have only been in place for the last two years. Therefore, please don't assume that you do not need to attend if an older sibling has already been through year 6 assessments prior to summer 2016. The tests are considerably different and I think you would find it helpful to attend where possible.

The meeting will be for parents only. If you are unable to find someone to look after your year 6 child, then the computer suite will be available for them to go into and be on Mathletics. Please note that this is only for year 6 children and not for other siblings from other classes.

If you cannot make it, then I will try my best to briefly take you through things during our 10 minute chat at parents' evening later in the term, but this is not ideal.

I really hope you can make it. Please reply on the slip below if you can attend, so that I know how many to prepare for.

Yours faithfully

Suzie Reid

Child's Name: _____

We will be coming to the meeting! ☺ Please save us _____ (number) seats.

Thanks for the invitation, but we can't make it. ☹

Signed: _____
