Dear parents/ guardians,

A few points to note for Sports Day- Tuesday 18<sup>th</sup> 2017

- Children are to come to school in their PE kits. They may wear a t-shirt in the colour of their team if they wish. (Yellow team may wear white if they prefer to prevent bugs invading!)
- An additional drink that they can take round activities is advisable (please name!!!)
- Sun cream and sun hats may be required. (Please ensure sun cream is put on in the morning.)
- Refreshments for spectating adults will be available from 12 p.m. for a donation, all proceeds to school funds

Sports Day will begin at 10.00 o'clock. The day will be organised with a range of activities in the morning that the children take part in as a member of their team. There will be a break for a picnic lunch on the school field, and parents are invited to stay and eat with the children if they wish. If a school dinner has been booked then we have requested Farm Kitchen provide packed lunches for your child on this day however you may wish to "top it up" with goodies of your own.

The afternoon will be the track events, where each child will take place in a number of races representing their team. Children are required at this time to remain with their teams to ensure they are there for the start of their race. Parents will be required to sit back from the track, especially at the finish, for safety so please bear this in mind when choosing your spot ☺ Children and parents **must not** cross the track.

Nursery children may find the morning session in small teams easier to manage but are also invited to join in with the races in the afternoon if they wish. If it is not your normal afternoon session then parents will be expected to stay and supervise their child but feel free to send them to the track when it's Diamond's turn to race if they wish to do so.

**In the event of bad weather a decision will be made at the start of the school day as to whether or not we can proceed. Any decision will have to be made with safety in mind.**

Yours sportingly

Alison and The PE team
