25<sup>th</sup> May 2017

Dear Parent/Guardian,

The children in Quartz class will be going swimming on Thursday afternoons during the Summer Term for 6 weeks, from 8<sup>th</sup> June 2017 until 13<sup>th</sup> July 2017 inclusive.

All children will need a towel and suitable swimwear. **Please note that it is compulsory for the children to wear a swimming hat and without one they will be refused entry. The school does not have a supply of hats, therefore, if your child does not have one already, one will need to be purchased over the break.** Any children with verrucas will need a rubber sock, which can be purchased at the pool, as can goggles. Please ensure your child brings a coat to school to wear. All earrings and other jewellery must be removed.

In addition to Miss Reid, Sleaford Leisure Centre will provide qualified swimming instructors.

We ask for a voluntary contribution of £3.00 each week to help cover the cost of transport and hire of the pool. However, if insufficient parents help with the payment, we will be unable to find the total amount from school.

Parent's should be aware that this term's swimming does clash with some of the secondary school open days and with the Mamma Mia! theatre trip. So if your child is taking part in any of those, they will not be swimming that day.

Swimming is an important part of the National Curriculum. Please provide a written note if your child cannot attend any session, in order to let us know the reason. If your child has asthma or any other condition (e.g. epilepsy) that we should be aware of, please let us know immediately.

Yours sincerely

J A NEASHAM
