Dear Parents

Once again the reputation of our school choir and dance group has impressed people in the wider community and we have received more invitations to perform in the community. The children have been practicing hard to develop a repertoire of songs and dances to entertain their audience.

The children have once again been invited to sing and dance in Sleaford as part of the Sleaford 'Live' event. This consists of a number of special events prepared by a range of organisations for over a week in and around Sleaford and we have been invited to perform on Saturday May 6th in The Riverside Church which is located opposite Wise Owl on the High Street. We have received confirmation that we are to perform at 11.00am, with the performance lasting approximately half an hour. The children should arrive at 10.45am where we will gather in a holding room to the right of the building on entering before we are called to perform. I hope parents will stay to support the children as part of the audience as the performance will only last 30-40 minutes. However, if you do not plan to stay, please ensure that you return promptly to collect your child at the end of the performance. Children will need to wear smart school uniform or dance kit as they are representing the school. There are refreshments provided after the performance for the children.

In order to know our numbers for the performance and for the provision of refreshments please complete and return the slip below to Miss Reid, Mrs Jones, Mrs Neasham/Mrs Rowlands in the school office or myself as soon as possible so we can make arrangements.

Yours sincerely
