Dear Children of Winchelsea,

**Are you ready to welcome another visitor to your school?
Are you ready to get active?
Then let's skip to it!!!!**

On Wednesday the 22nd February 2017 I am pleased to announce that "Dan the Skipping Man" will be coming to school. He will be working with all children from Reception to Year 6 (but don't worry Nursery, there will be plenty of opportunity for you to be skipping too!).

The aim of the day is to promote a healthy and active lifestyle, to instil a skipping ethos across the school and to offer the children inspiration and ideas to continue skipping.

There is no charge for the day, the only requirement is that you have fun and enjoy it!!!!!!!
If you do, you may decide to purchase your own "Solar Skip" rope (changes colour in the sun). Details at the bottom of this letter as to how you can do this, and there is also a YouTube link that allows you to continue to learn new tricks and techniques. Opportunities will continue for you to skip in school and use your new (or developed) skills on the playground or in Golden Times.

Yours skipingly,

Alison Stewart

You can **BUY your own Solar Skip™** on the day from the coach for just £6.00.

Or BUY online @ www.dantheskippingman.com.
