## All Individuals Matter

Dear Parent/Guardian

As you are might be aware, Dance Club will be taking part in a dance competition on **Wednesday 7th February in the evening.**

The children are practising really hard and it is vitally important that they do not miss a rehearsal.

This year's track is "Wild Mustang (feat. Becky G)" by Yellow Claw & Cesqeaux [Reid Stefan Remix].  
This is available to buy from amazon and will really help the children practise at home.

The competition will be held after school at **SLEAFORD GIRLS HIGH SCHOOL** (in their main hall) and parents and friends are invited to come and watch the performances at **6:00pm**. Please do arrive before this time in order to ensure a good seat, Mrs Jones and myself will do our best to save some seats, but cannot guarantee that we will be allowed.

- It is a good idea to let your child know how many seats to cover with their coat!

Details as follows:

Venue:	Sleaford and Kesteven High School
3:30/4pm to 6.00pm	- meet, practice on stage etc.
6.00pm to 7.00pm	- Performances

This is a very rough guide and I am not sure how long the final performances will take so please come to collect early if you are not coming to watch.

We are hoping to be able to provide transport there, but we do need some help. Please also be aware that **your child will need picking up from the High School!**

I was not involved in the timings of the competition! But obviously it goes over teatime. **Please send your child into school with additional food to see them through! A drinks bottle is extremely important.**

**OUTFIT:** The children will be provided with a dance kit. They will be expected to be wearing BLACK socks (not trainer socks!). And for those with long enough hair: party hair. We are looking into purchasing some black caps for them. Otherwise, the rule will be: the bigger and funkier the better! They will need to be wearing trainers.

**Please note:** it is very important that I know exactly how many children are allowed to take part. Please return the slip below straight away so we can plan and confirm dance positions etc.

Please indicate who will be collecting your child.

If you are able to provide transport after school to the High school, please also indicate. We need help!

Many thanks – and I look forward to seeing you all at the performance!

Miss Reid
