Thursday 6<sup>th</sup> September

Dear Parents/Guardians

This year we are hoping to continue with last year's very successful football team. In the club children have lots of fun learning some skills to use in matches. The club will be run from Thursday 13<sup>th</sup> September after school and ends at 4.15pm. Please be aware that we can only take 8-10 children to the matches, therefore it is a possibility that not all of the children who come to the club will be able to be in the school team. We will predominantly use the oldest children in school (Y6) and then work down through the year groups. On some occasions the football team's matches may take place on a Thursday and clash with training sessions, if this is the case football training will be cancelled. I will share the match dates with you as soon as I have them.

All children will need suitable clothes for training sessions; PE kit is fine, as well as trainers. If your child is picked to be in a competitive match they will also need some shin pads as well as football boots. The children must all understand that the club is a commitment so they must try very hard to stick to training sessions and I would appreciate help getting to and from any of the matches.

Your child has expressed an interest in coming to football club. If you would like your child to have a place please return the slip and indicate how your child will be collected. The club has limited numbers so places will be allocated; your child will receive a slip to confirm their place. There will also be a behaviour policy in action; each child will receive 2 warnings and then may be asked to leave the club.

Many thanks,

Mrs J. Dunham
