As **readers** we will:

continue to read "a little and often".

Tricky word keyrings should be part of reading practice time. They are yours to use in the best way to support your child! For example you might remove familiar words and focus on the less familiar, putting them all back together for review when secure. Thank you for all continued home support, it REALLY helps and will be key to future progress.

As **authors** we will:

Explore writing in different forms including lists, labels and speech bubbles. We will use "Drawing Club" to open a world of adventure and build our confidence to "have a go" when writing, developing independence for the next stage of our journey. Please continue to support letter formation, focussing on pencil grip, starting points of letters and a consistent size.
