## *All Individuals Matter*

Good afternoon all

Thank you to those of you that were able to visit with your children on our Induction Morning. Through home visits, setting visits and a morning in the classroom we have been able to get to meet all the new children in some way.

It was lovely to see a class full of children ready to explore their new surroundings. We clearly have some active learners coming to join Diamond class and children with enquiring minds. Exciting times ahead!

I attach a copy of the Diamond Class reminders for September. Those of you that had a home visit will have seen these already, but as September is a little while away, I attach a copy for all. I also attach a little information about what to expect when school starts.

With regards to other school information here is the link to the school website

### [Winchelsea Primary School - Home](#)

Here you will find a range of useful information. When your child joins us in September you will receive correspondence via email with copies also shared on the website.

Important to note are the term dates for the next academic year...

### [Winchelsea Primary School - Term Dates](#)

And information regarding school meals .... if your child wants a hot meal in September, please register for an account as soon as possible.

### [Winchelsea Primary School - School Meals](#)

Should you require breakfast club...

### [Winchelsea Primary School - Breakfast Club](#)

And finally, if any of you would like to become involved with our Friends of Winchelsea (FoWs) volunteers...

### [Winchelsea Primary School - Volunteers and FOWS](#)

Any questions that you have thought about since your visit, or have not had chance to ask, then feel free to get in touch.

Wishing you all a wonderful summer holidays and see you on September 4<sup>th</sup>.

Kind regards

*Alison Stewart*

Deputy Head and Early Years Lead  
Winchelsea Primary School
