

D and T- Make a 3D map of where you live

Can you create a map of where you live that looks like the real thing?

Science- Poster

Make a poster about an animal of your choice and add detail to how it survives.

R.E.- Create a poster based on what celebrations different religions take part in.

Art-

Can you create a piece of art using sketching. It could be observational or imaginative.

Maths- Show yourself sharing fractions of food. Maybe cake?

Music- Using technology, can you create music on an app or change it with a device.

History- Pick a country you are interested in or maybe one you've visited.

Make a piece of work however you wish telling us all about important historical moments for that country.

## Summer Term Homework

P.E.- Look up boccia and try to re-create the game at home.

English- To write a story about the adventures of an animal and how it lives each day.

Geography.- Create a world map and add pictures linked to the countries.

PSHE- Create a poster on how we keep our bodies healthy in and out, body and mind.

English- To write a poem about the world.

It could be based on looking after it or different places.
