

Dear Parents and Year 1 children,  
This term....

Our PE days are a *Wednesday* and *Thursday*.

On Friday's we will continue to spend some time at Forest School. It is vital that you send your child with a spare change of clothes, wellies and a coat each week.

It is beginning to get warm. Please send your child with a hat and suncream on.

24.04.2026- Parents invited to Roots to Food session from 10:30-11:20

12.05.2026- Class trip to Fairfield Community Farm

As mathematicians we are focussing on:

Multiplication and division

Fractions

Position and direction

Winchelsea Primary School

'All individuals matter'

In humanities:

We are looking at the seaside. Comparing beaches and seaside traditions.

Reading and writing:

We will be delivering Read Write Inc phonics. This includes teaching of phonics, reading, writing and spelling.

In science:

In Science this term we are learning classifying and grouping animals.

In PSHE:

This term in PSHE we are focussing on economic wellbeing.

In PE:

This term in PE we are focusing on attacking and defending skills.

In Art:

This term in art we are using paint and mixed media to create art around the theme 'Colour Splash!'.

In computing:

In computing this term we are focussing on creating media through writing.

In music:

This term, our theme is 'Samba!'.

The children will be working over 2 terms, creating a whole class ensemble.

In RE:

Our big question in RE this term is...

'What do people learn from stories and festivals?'
