## English

In reading, we will be studying the gripping novel *Foodland* by Marcus Sedgwick. In writing, pupils will be stepping into the role of authors and historians as they explore and create their own engaging biographies.

## Humanities (History): World War II

This term, Year 6 are stepping back in time to explore the drama and resilience of World War II. From evacuation to the Battle of Britain, we'll uncover the real stories behind life on the Home Front and in the skies. With many links to RAF history, children will gain a deeper understanding of the courage and sacrifice shown during this time. We can't wait to bring this powerful and important period of history to life!

## Maths: Statistics, Shape and

With SATs now completed, we can enjoy exploring some exciting new areas of mathematics. This term, we will be investigating statistics, shape and geometry through practical activities and real-life challenges.

## Science: Light

In Science, Year 6 are exploring the fascinating world of light and how we see the world around us. Through hands-on investigations, we'll discover how light travels, reflects and creates shadows. From building periscopes to exploring how our eyes work.
