Welcome to Autumn term 2, where the leaves on the trees are burning bright in their autumnal colours and the colourful lights and songs of the season that will brighten our days and our evenings. We have lots happening this term and would love to see you for carols on 15th December.

Our P.E days are Monday and Thursday this term. All children should be prepared for P.E outside and inside with different footwear and an extra bag for any muddy shoes.

**Homework:**

- **Reading** should be done daily and recorded in their reading record books. These will be checked weekly.
- **Mathletics** homework will be set weekly on Thursday due for the following Thursday.
- TTRS is an optional extra for children who enjoy challenging themselves.
- Optional homework extras: see separate letter

In PE, we will be enjoying netball on a Monday. On a Thursday, we will enjoy orienteering. All sessions will be interspersed with a side of football as we have some avid fans!

In Computing, we will be continuing to looking at how the internet works, computing systems have evolved and how to stay safe online.

As mathematicians, we will be using White Rose to explore Place Value; the Four Operations: addition, subtraction, multiplication and division; Fractions and converting units of measure. In all our units, we will get hands on using manipulatives to secure understanding. We will be applying our learning in real life contexts through challenges and mastery level problem solving.

As scientists we will be continuing to learn about the human body. This includes identifying the main parts of the human circulatory system, how blood works and the functions of the heart.

In French, we will be learning all about Football champions.

In Forest school, we will be learning about respect for nature and our environment

# Winchelsea Primary School

*'All individuals matter'*

In humanities, we are diving deep into he world around us. Global trade and economics. Where do all the things we use, wear, eat come from? How do changes in other countries affect us?

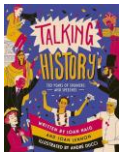

In RE we are continuing to look at – what do people believe?

In P.S.H.E, we are doing my healthy self: how can I take care of my mind and body? We're also looking at connecting with others: What helps us to feel safe and included?

In DT, year 6 will be practising their culinary skills in a three-part sequel: come dine with me! Spiler alert – they are learning how to plan and cook a three-course meal!

In music, they will be enjoying making a class sound… as they navigate the ukelele's together into one piece of music.

As readers, we will be discovering the wonders of The Wisp, Talking History, Cogheart and Street Child.

As authors, we will be looking to consolidate our basic writing skills through daily handwriting and spellings practise.

We will be writing for different purposes: a narrative: to entertain and a speech – to persuade. Our writing will be inspired by the stories of refugees and by some inspirational speakers who have made world famous speeches- I wonder what we will learn from them?

Follow the school on Facebook and keep up to date on our website.
