Dear Parents and Year 5 children,

Welcome to the second half of our Autumn term in year 5. PE this half term will be on Mondays and Thursdays where possible. Please ensure PE kits are brought in on a Monday and stay in school until after Thursday's lesson. Children may need a spare pair of shoes as we will be working outside, and they may become wet or muddy.

Please continue to encourage the children to partake in daily reading and TTRockstars activities. If you would like a list of spellings we have completed in active spelling so far, please ask at the office and I will se home with your child. Please feel free t Mr Delaney at the beginning or the end of the day if you have any other questions

In PSHE, we will be... focusing why healthy relationships are important, what unhealthy relationships may look like and what to do if a relationship becomes unhealthy.
In French, we will be... learning how to describe using adjectives to create descriptions

In geography, we will be...
Studying all all about Mountains.

The children will be learning how mountain ranges are shown on maps, key features of a mountain range, aspects of human and physical geography and making comparisons between the notable mountain ranges across the UK and around the world.

Do you know any famous mountains Around the world?

As mathematicians we will:
Be continuing our work on multiplication and division. We will then be applying this knowledge to help us develop our understanding of fractions, decimals and percentages

Winchelsea Primary School
'All individuals matter'

Dates:
Our parental engagement afternoon is: Tuesday 15th December at 2:30 pm

In DT, we will be... using our knowledge of electronics and circuits to create Wobble bots . These are machines that move across a surface using the kinetic energy created by a motor.

In ICT, we will be... We will be learning how to create, edit and evaluate videos. We will explore different recording techniques and learn how to edit footage during post-production to achieve desired effects.

In RE our focus will be... How do people express their beliefs through worship and caring. We will look at the use of art, music and dance as part of worship.

In music, we will be continuing to develop our knowledge of notation and looking at how to play an increasing range of notes on our toots. We will focus on notes that require 2 hands and using these to play a range of Christmas songs.

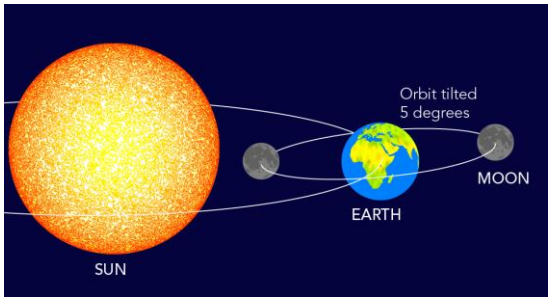

As readers we will:
be sharing the brilliant book: Cloud tea monkeys. We will be evaluating a range of teas as we follow Tashi's Journey

Please encourage your children to read for 20 minutes per night. This could be any book of their choice including their reading book from school.

We hope you enjoy this time with your child too!

As scientists we will:
We will be Learning about the earth and space.

We will be focussing on how we know the shape of Earth and other planets, how day and night time occur, the movement of the planets around the sun and the different phases of the moon throughout the lunar cycle.
