Dear Sir or Madam

**FORTHCOMING CARRIAGEWAY RESURFACING WORKS  
ELMTREE ROAD, RUSKINGTON**

We are writing to inform you that the above carriageway resurfacing works will commence in early March.

The work will involve the replacement of the top 100mm of the road surface  
To maintain a safe environment for both the public and contractors staff, it will be necessary to carry out these works under a Full Road Closure

The date is currently scheduled as 4<sup>th</sup> March 2021 but may be subject to minor adjustment if works are delayed by unforeseen circumstances, such as inclement weather. Advance Warning signs will be erected nearer the time with specific dates.

Please be aware that the road will be closed during these works and whilst access will be provided it may be subject to delays.

Should you need to gain access at a specific time during the works, please discuss the issue with the site staff who will advise you how and when to proceed.

Please do this as early as you can, as it may not be possible to allow access over newly laid surfacing materials. If you need immediate access to your vehicle please park outside the closed area. (Shown on the plan on the reverse of this letter)

Vehicular access to your property will be available after the working day is completed, but would ask that you drive through the work area slowly and with care, and to avoid any raised ironworks

If you have any queries regarding either of the above matters then please contact our Customer Service Centre at the above number.

Yours sincerely  
Surfacing and Patching
