

Family Learning Online Courses

We know how difficult it is at the moment to find news thing to do together while keeping safe and following the latest government guidelines. Why not join us in the half term break on one of our Family Learning Workshops. We have a range of fun activities and games for you to do together at home.

Work with our tutors for an hour online, as we work together with ideas about how to keep your family busy with fun, engaging activities. From this you'll have a range of ideas to work with through the week with your child-whatever the weather.

Places are limited-go to www.2aspire.org.uk/family-learning-courses to book your place.

Active Maths -Tuesday 16th February 10am-11am

Join us for an hour of fun with lively activities to do with your family – and we'll sneak some maths in too!

Being Happy and Healthy Together-Tuesday 16th February 1pm-2pm

We all need a moment of calm at this challenging time- join our workshop to learn some practical activities to try with the family to support wellbeing and mindfulness.

Let's Get Crafty Together – Wednesday 17th February 10am-11am

Come and join us for some simple crafts that you can do with your children, using cheap and easy to find materials

Money Talk – Wednesday 17th February 1pm-2pm

What do your children know about money? Explore ways to teach them about it using real-life experiences, sharing tips and ideas to help make shopping less stressful.

Fonix or Phonics? – Thursday 18th February 10am-11am

Play games and activities together at home to support learning phonics. Sarah will give you a brief introduction to how phonics is taught in school.

Playing Together – Thursday 18th February 10am-11am

Whatever age you are, making time to relax is vital for our wellbeing and a great stress reliever. Unwind for an hour with us as we share simple games and activities to do together at home.

Tell it Together with Storysacks – Thursday 18th February 1pm-2pm

You'll be amazed at how easy it is to turn a simple story into a way to while away the day with your family. Find out how to use props to bring a story to life and nurture a love of reading.

Total Recall? – Friday 19th February 10am-11am

Exercise your brain while having fun playing simple memory games together. Find out why it's an important part of helping your child learn and the benefits it has for their concentration, English and maths skills.

We look forward to working with you soon!

If you are new to Family Learning online courses, register with us and then follow the link in your welcome email to enrol on your workshops.

To make the most of the course you will need;

- To be able to access a virtual learning platform with your phone, Ipad, tablet, laptop or computer.
- An email address so we can contact you with the link to join the session

As we all embrace new ways of learning it is important we know how to keep ourselves and families safe as we go online. As part of your induction to the course, rules and procedures will be explained to ensure we all have a safe online learning experience. Please see also see our **e-safety policy**
